### **House Projects Updates**

**St Bernadette's** recently organized Leanne from the charity, ADAPT, to come and talk to us about the work they do to support families with premature babies. She brought an incubator and the children were shown how the babies are cared for. We were very thankful for her visit and we continue to collect empty crisp packets which are used to get money for the charity. Soon we will have a visit from volunteers working at the Coalville foodbank. They will tell the children about their work and we hope that families will collect what they can to support them.

**St Francis** have continued to send out their thanks for the clothes people are putting into their "Air Ambulance," container. All the money raised goes directly to the charity so we greatly appreciate all donations. Today we will have our "Badger Bank," collection outside of school at the end of today. If anyone has peanuts, dried dog food or sweetcorn we would happily take it off your hands. The badgers seem to be happy with the food they are being given and have stayed away from our pitch. This is great news as we can now look forward to sport's day.

**St Joan of Arc** would like to send out a huge thank you for the contributions to the "Penny Challenge," and the "Make a Wish," foundation. The total raised so far is a staggering £187.30 which is amazing. Thankyou all on their behalf.

### **School Nurse**

The school nurse will continue to visit on a Monday. Her next visit is scheduled for:  
**Monday 1st July**  
Make appointments through the office please.

### **Sport's Day**

We have set Tuesday 25th June as our sport's day. This will start at 10am with Reception, Year 1 and Year 2 competing on the pitch. This will then be followed at 1.00pm by the rest of the classes in Key stage 2. All children will **need a packed lunch on this day**. Depending on the weather we may also need sun hats and sunscreen. Alternatively, if we get bad weather, we will postpone the Tuesday and try to have it on the Wednesday. If Wednesday is also bad it will be cancelled unfortunately.

### **Robin and the Sherwood Hoodies**

Our annual school production will take place on Tuesday 2nd and Wednesday 3rd July. Letters detailing tickets requests will be sent home next week. Allocations of tickets will initially be limited to two per family for children in the performance. They will then go on general sale. This is always a great opportunity for our older pupils to experience the preparations for live performance and for some it will be the first time they realise that that have a talent in performing. It is also great fun and we know that audiences enjoy it greatly.

### **THANK YOU**

We would like to publically say a huge thank you to Mrs Wilkins( Rec parent) who recently applied for a grant within the company she works for ( Barratt Developments PLC ). They have accepted the application and have awarded us £1000 to be spent to develop our ELSA area. We will use this to carpet and furnish the area to make it as cosy and comfortable as possible for children who need support. We would also like to ask any parent who is upgrading any soft furnishings at home to keep us in mind.

### **Book Amnesty**

We have recently purchased a new reading programme for the school called Accelerated Reader. All of the books in the school will be coded and once read children will take online quizzes to gather points. To get this set up before September we will be gathering all of our school reading books before the end of term. We would appreciate your help with this.

**Reminder—We are closed on Friday 21st for staff training.**

**We currently still have a vacancy for a lunch time supervisor. This is for 1 hour 15 mins per day, 5 days per week. If you or anyone you know is interested please get in touch with us here in school**
