The Season of Creation runs until St Francis of Assisi's feast day on 4 October.

God of Love, show us our place in this world as channels of your love for all the creatures of this earth, for not one of them is forgotten in your sight.

Enlighten those who possess power and money that they may avoid the sin of indifference, that they may love the common good, advance the weak, and care for this world in which we live.

The poor and the earth are crying out. O Lord seize us with your power and light, help us to protect all life, to prepare for a better future, for the coming of your Kingdom of justice, peace, love and beauty. Praise be to you! Amen.
