## History Long Term Plan 25/ 26

<b>EYFS</b>	Through the use of stories, the language of the past will be developed: A long time ago, many years ago. They will look at how things change over time. Questions will be asked: what's the same? What's different? This will be developed using the themes linked to Year 1 and 2		
<b>Year 1/2</b>	How did the <i>Great Fire of London</i> change London?		Why does Whitwick have Castle Street?
<b>Year3/4/5/6</b>	Who were the Ancient Greeks?		How did Early Islamic Civilisation shape the world we live in today?
